

How to apply for a DUNS Number:

Go to the following website: <https://www.dnb.com/duns-number/get-a-duns.html>

- You will select the reason for registration as – I have a U.S. based business
- You will type in the business name and address and select Search
- It will come back and say “Sorry, no matches were found for “YOUR COMPANY NAME”
- Please select “Get a new DUNS number”
- Select “Get Started” under the “D-U-N-S Number + CreditSignal (Free)” option
- You will then fill out your business information including a required email address

PLEASE NOTE –

*It usually takes up to 30 days to get your DUNS number once you register. The new number will be sent to the e-mail address provided during registration upon completion.
